To Whom It May Concern

I write this letter in recommendation Sonshine Construction Company.

In late 2011 I had the pleasure of Mr. Barry Cabe working on the installation of a tile backsplash on a home that we recently purchased in Highlands, North Carolina. I can recommend him highly and without reservation.

Throughout the course of the project, Mr. Cabe was a consummate professional. He made creative recommendations on the design and was accurate in his initial assessment of the scale and cost of our project. He was clear on the scheduling of the project and arrived at the time he had scheduled the project.

Our job was done with care and precision. He is a gifted craftsman and the plan that he designed and executed is lovely.

In addition, he was extremely clean and tidy in the workplace. He and his assistant never left the worksite in disarray. Mr. Cabe took special care to prevent any of the job dust from trailing throughout the house.

We appreciate the fine job that was done, and we have a wonderful outcome and a work of art.

Sincerely,

Joe and Joan
