

Sonshine Construction

Dear Barry and Becky Cabe,

I am writing to tell you how happy I have been with the work you have done for us. It's so nice to be able to pick up the phone and talk to the person that does the work. Barry has been so professional and honest in his dealings with us that we have not considered using anyone else. I'm completely comfortable with him having a key to our property and the house so he can take care of things when necessary. Being in Florida and needing help can be frustrating and you all have solved that frustration for us. My parents were doing business with Barry and his Dad many years ago and Barry has continued the High Character and skill in our dealings this year. I've referred him to many of our friends and family that has homes in the area and will continue to do so. Thanks again for being there when we need you.

Sincerely,

John Wheeler
